Il nostro approccio

UNA CULTURA
DELL'INNOVAZIONE BASATA
SULL'ASCOLTO E LA CO-
CREAZIONE

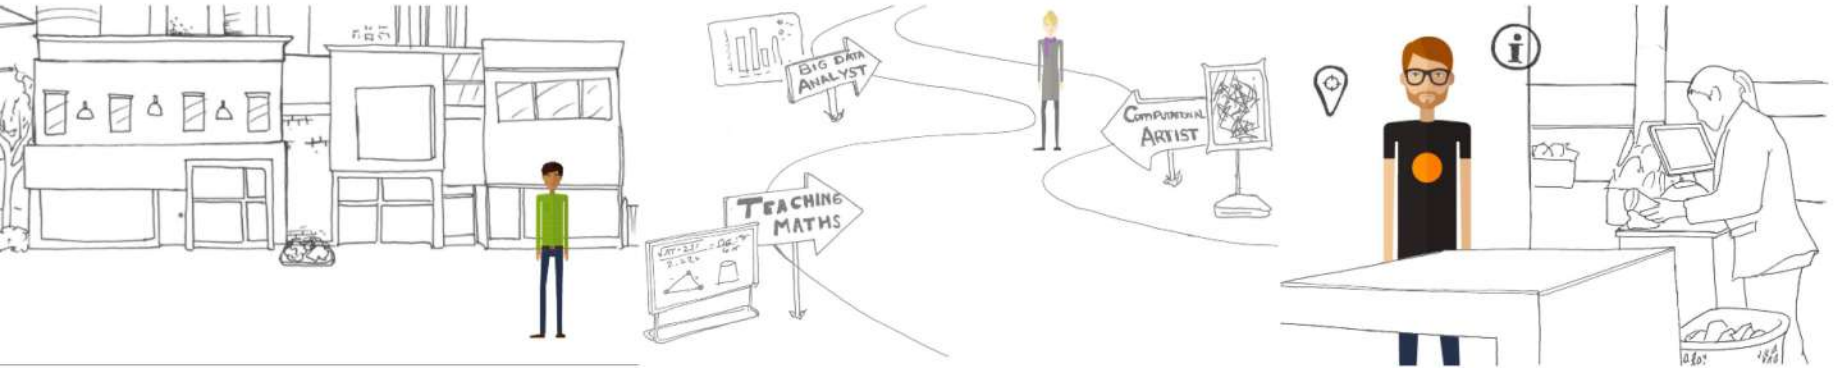

A woman is sitting in the driver's seat of a car, looking out the window at a field with several horses. She is pointing her right hand towards a digital overlay that shows a close-up of the horses. The overlay is a rectangular frame with a dashed border, and it is positioned over the view of the horses. The woman is wearing a grey sweater and a watch on her left wrist. The car's interior is visible, including the dashboard and the passenger seat.
